Name: *(optional)* _____
Address: *(optional)* _____

With this project, VDOT proposes to make several roadway improvements on Broadview Avenue from Frost Avenue to 0.81-mile north. The improvements include reconstruction of the Route 211/Broadview Ave intersection, signal modifications, installation of short medians to improve safety and manage access, crosswalk and sidewalk upgrades and 5-foot bike lanes on both sides of the road.

Do you support this project?
YES NO

Yes, with modifications (please describe the modifications)

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project.

Was the information at tonight’s meeting presented in a way that was easily understood, and was VDOT staff able to answer your questions and concerns? **YES NO**
