All comments submitted will become a part of the public hearing transcript and will be made available to the public.

Name: *(optional)* _____

Address: *(optional)* _____

With this project, VDOT proposes to replace the existing structurally deficient bridge carrying Route 601 (Old Ivy Road) over the Route 29/250 Bypass in Albemarle County. During construction, only eastbound Route 601 traffic will be permitted to use the bridge. Westbound Route 601 traffic will be detoured.

Do you support this project?

YES NO

Yes, with modifications (please describe the modifications)

Please provide us with any additional information that you believe will assist VDOT in developing the final design of this project.

Was the information at tonight’s meeting presented in a way that was easily understood, and was VDOT staff able to answer your questions and concerns? **YES NO**
